HYOMEI CURES CATARRH.

Its Healing Balsams Kill All Catarrhal Germs—Sold Under Guarantee by Mr. Penny.

There is no more common disease than catarrh, and none that is more dangerous. It weakens and debilitates the whole system, if it is allowed to run, leads to serious, and sometimes fatal complications.

It is a note-worthy fact that among the many medicines and treatments for catarrh, there is only one which Mr. Penny sells under his positive guarantee to refund the money if it does not cure—Hyomei. Nature's remedy for the cure of catarrh.

No dangerous drugs are taken into the stomach when Hyomei is used. Breathed through the small pocket inhaler that comes with every Hyomei outfit, its healing balsams penetrate to the most remote cells of the throat, nose and lungs, killing the germs of catarrh, healing the irritated mucous membrane, and making complete and lasting cures.

The complete Hyomei outfit, consisting of an inhaler that can be carried in the purse or vest pocket, a medicine dropper, and a bottle of Hyomei, costs only \$1. The inhaler will last a life time, while extra bottles of Hyomei can be procured, whenever needed, for only 50 cents.

Mr. Penny is selling a good many Hyomei outfits at this season, and he has so much confidence in the remedy that he guarantees to refund the money in case it does not cure.

"Tommy, why are you not at your sister's wedding?"

"'Cause she's marryin' the wrong man, an' I told 'em I'd sing right out an' tell the preacher so."

"What is the matter with the young man?"

"He yanked me out from under the sofa once an' spanked me!" Chicago Tribune.

Clears the Complexion.

Orino Laxative Fruit Syrup stimulates and thoroughly cleanses the system and clears the complexion of pimples and blotches. It is the best laxative for women and children as it is mild and pleasant, and does not gripe or sticken. Orino is much superior to pills, aperient waters and all ordinary cathartics as it does not irritate the stomach and bowels. Penny's Drug Store.

JUDGE ALTON B. PARKER, who also ran for President last election, said in a speech at Charlotte, N. C., that the Democrats of the South should take the leadership of the party. The judge is right. If the party is ever to take its proper place in the affairs of the nation it will only be done by those who are Democrats from principle and do not fly the track every time they do not get exactly what they want.

朋友们对 State Auditor Sherrick, of Indiana, are appealing to Gov. Hanly to pardon him. He was convicted for embezzling State funds, and as he loaned some of the money to Hanly he will hardly have the heartlessness to let his dupe suffer the humiliation of a penitentiary term.

THE Mt. Vernon Signal is for R. W. Miller, of Madison, for governor. Editor Albright thinks Mr. Miller, who is an avowed anti-administration man, can harmonize all elements of the party. He will kindly give his reasons for so thinking.

Mr. Mahony says he will go to Casey instead.

We have it on good authority that negotiations are under way for a return performance in our city about April 14 by that pleasing musical organization - The Schubert Symphony Club and Lady Quartette of Chicago. Many of our readers have heard this popular company and no doubt everyone knows of the high favor in which its 10 years of success has placed it. The great variety and popular character of this company's program has endeared it to the hearts of American music-lovers, until to-day it stands undoubtedly first in their affections. Their new program is said to be the best they have ever presented, and no doubt their house will be large here if they are secured for an entertainment.
